Notes

1. In accordance with Chapter 8 of the “Guidelines on Election-related Activities in respect of the Legislative Council Election” and section 105 of the Electoral Affairs Commission (Electoral Procedure) (Legislative Council) Regulation (Cap. 541D), the candidate should, **within 1 working day** after publication of an election advertisement, post an electronic copy of the relevant information/document, including permission or consent, onto the Central Platform or Candidate’s Platform or deposit a hard copy with the Returning Officer for public inspection.
2. If consent is given to the candidates on a list of candidates in a geographical constituency or District Council (second) functional constituency election, set out the names of all candidates on the list. Otherwise, consent should be given to each candidate separately by completing separate forms.
3. According to Chapter 18 of the “Guidelines on Election-related Activities in respect of the Legislative Council Election”, if a written consent is given by a person in his/her personal capacity, no mention should be made of any office title which he/she may have in the candidate’s/list of candidates’ election advertisements and campaign activities.
4. In the case where an office-bearer of an organisation wishes to use his/her office title to support a candidate/list of candidates, he/she should complete item 2 or items 2 and 3 of this consent as appropriate, depending on the following situation –
 - (a) **A supporter with the mention of his/her office title (bearing no reference to the name of the organisation concerned)**
In this case, the consent should indicate whether the supporter consents to the mention of his/her office title(s) and the description of such title(s). Where such office title(s) is/are to be mentioned in an election advertisement, the supporter and the candidate/list of candidates should take particular care to ensure that the information should not be used in such a way to misrepresent the support of the organisation concerned.
 - (b) **A supporter with the mention of his/her office title and the name of the organisation concerned**
In this case, the candidate/list of candidates should ensure that the supporter has obtained the prior written approval of the organisation, in accordance with the organisation’s internal rules and procedures or any established convention (e.g. approved by the governing body of the organisation or by a resolution of that organisation passed at a general meeting), for using the name of the organisation together with his/her office title(s) by the candidate. The candidate/list of candidates should be careful not to give the impression that it represents the support of the whole organisation.
5. According to section 27(5) of the Elections (Corrupt and Illegal Conduct) Ordinance (Cap. 554), a written consent by an organisation must be approved by the governing body of the organisation or by a resolution of the members of the organisation passed at a general meeting.
6. In the case where a Mutual Aid Committee (MAC) wishes to support a candidate/list of candidates in the name of the MAC, the consent should be approved in a general meeting convened in accordance with the Model Rules for the MAC, and signed by the incumbent Chairman of the MAC.
7. A witness can be any person aged 18 years or over and in possession of an identity document. According to section 3(1) of the Legislative Council Ordinance (Cap. 542), “identity document” means –
 - (a) an identity card issued to a person under the Registration of Persons Ordinance (Cap. 177); or
 - (b) a document issued to a person under regulations in force under that Ordinance certifying that the person is exempt from being required to register under that Ordinance; or
 - (c) any other document issued to a person that is acceptable to the Electoral Registration Officer as proof of the person's identity.
